

FISCAL NOTE

HB 3908 - SB 3997

February 6, 2008

SUMMARY OF BILL: Requires individuals who are under 18 years of age on the date of any motor vehicle accident or moving violation, and have had their driver license suspended for such accident or violation, to file and maintain proof of financial responsibility as required by Title 55, Chapter 12.

ESTIMATED FISCAL IMPACT:

Decrease State Revenue - \$6,700

Assumptions:

- According to the Department of Safety (DOS), this bill would no longer require these individuals to pay an additional \$50 fee when they go to have their driver license reinstated.
- According to DOS, there were 535 juveniles who had their licenses suspended under the Driver Improvement Juvenile points program in FY06-07.
- DOS estimates that 25% of the 535 individuals (or approximately 134) had their license reinstated last year.
- The decrease to state revenue resulting from fewer reinstatement fees is estimated to be \$6,700 (\$50 fee x 535 suspensions x 25% reinstated = \$6,688) per year.
